

TRAVEL THROUGH THE STARS IN THE NEW GAME BY MASCOT GAMING, **ACROSS THE UNIVERSE: KENO**

*Numbers shine in the cosmic night,
In Keno's game, stars burn bright.*

So far... and even further! Mascot Gaming invites players to explore galaxies and navigate through countless stars.

Across the Universe: Keno is a number game where players can select from 1 to 10 numbers. The goal of each round is to form a winning combination by matching as many numbers as possible from the 20 balls randomly drawn in the game.

When a winning combination is achieved, the Bonus Ball Feature is activated. This feature allows players to purchase up to 5 additional balls, each randomly selected by the game, potentially enhancing their winning combination.

Players who prefer not to buy extra balls can simply collect their winnings and enjoy their success.

Across the Universe: Keno combines a captivating cosmic theme with straightforward yet engaging gameplay. The dynamic electronic soundtrack energizes players, inviting them to dive into the action!

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

«Welcome on board! We've merged the excitement of a number game with the awe-inspiring beauty of the cosmos. It's easy to play and endlessly entertaining.»
