## DISCOVER THE HIDDEN TREASURES ON A DESERTED ISLAND IN THE NEW SLOT GAME BY MASCOT GAMING - BEN GUNN ROBINSON.

*In the island's depths, treasures lay,  
Calling forth those who dare not sway.*

The developer presents an exciting slot game with thrilling storytelling. After failing the pirates in their quest for hidden treasures, poor Ben Gunn Robinson was left stranded on a deserted island. However, he never gave up and ultimately found the treasures.

But the question remains: can you figure out where the treasures are?

Ben Gunn Robinson invites players on a real treasure hunt and offers rewarding mechanics with the potential for big winnings. The main game is accompanied by both Bonus Games and Super Bonus Games.

Furthermore, the developer has gone a step further and added Gamble to the mix. Every time there's a win in the main game, players have the chance to double their winnings by guessing a higher card in the card game.

To access the Bonus Game, players need to land 3 Bonus Symbols. Mascot Gaming has once again crafted an exciting Bonus Game, where players must open 5 out of 8 marked locations on the map to collect the key pieces for the Super Bonus Game. Alongside the key fragments, players may discover winnings and total bet multipliers ranging from x1 up to x50.

In the Super Bonus Game, players must choose between two chests and can win a multiplier for their bonus win.

Ben Gunn Robinson promises to be an absolute new hit! With beautifully animated symbols and, of course, the charismatic main character, players will fall in love with life on the deserted island. The slot game showcases Mascot Gaming's exquisite taste in graphics, soundtracks, and creative approach to engaging mechanics.
