

CHANNEL YOUR LUCK WITH THE EXCITING NEW SLOT GAME FROM MASCOT GAMING - DRAGON'S LUCKY 25.

*In Dragon's realm, where colors bloom,
This slot game's riches fill the room.*

Mascot Gaming is kicking off the year with a thrilling update, perfectly timed for the symbol of 2024, the Dragon. We're stepping into the realm of luck and fortune.

This slot game boasts 20 pay lines on a 5x3 grid. During both the main game and Free Spins, Wild Symbols can substitute for all symbols except Scatters. Winning combinations that include Wilds will double your payouts. Scatters payouts, on the other hand, start with at least two of them on the reels.

If you land 3, 4, or 5 Scatter Symbols, you'll trigger 10, 12, or 15 Free Spins, respectively, each starting with a x3 multiplier. And if you manage to land the same number of Scatters during the Free Spins series, you'll receive an additional 10, 12, or 15 Free Spins.

What's truly exciting is that as you accumulate additional Free Spins, the multiplier for your winnings increases, potentially reaching a staggering x25. Once you hit the maximum multiplier, all subsequent extra Free Spins will be played with a x25 multiplier.
