**AN EGG-STRASPECIAL SLOT GAME – EASTER LUCK!**

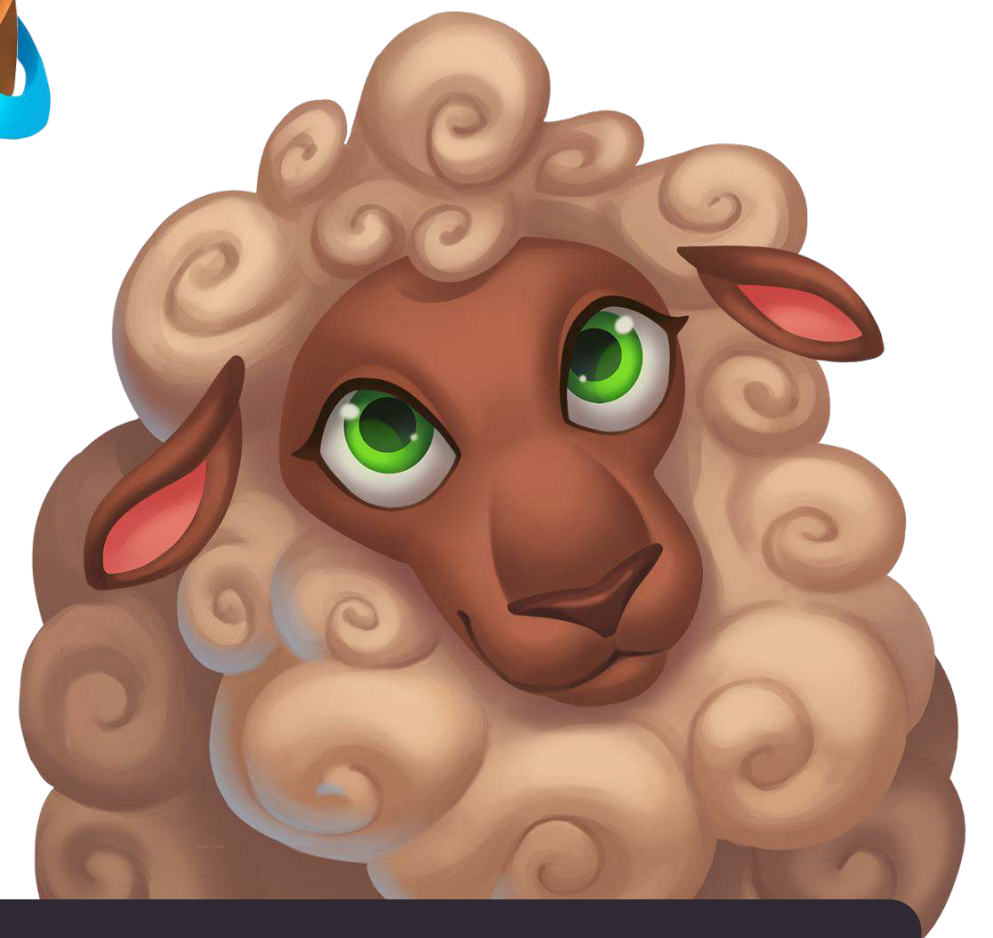

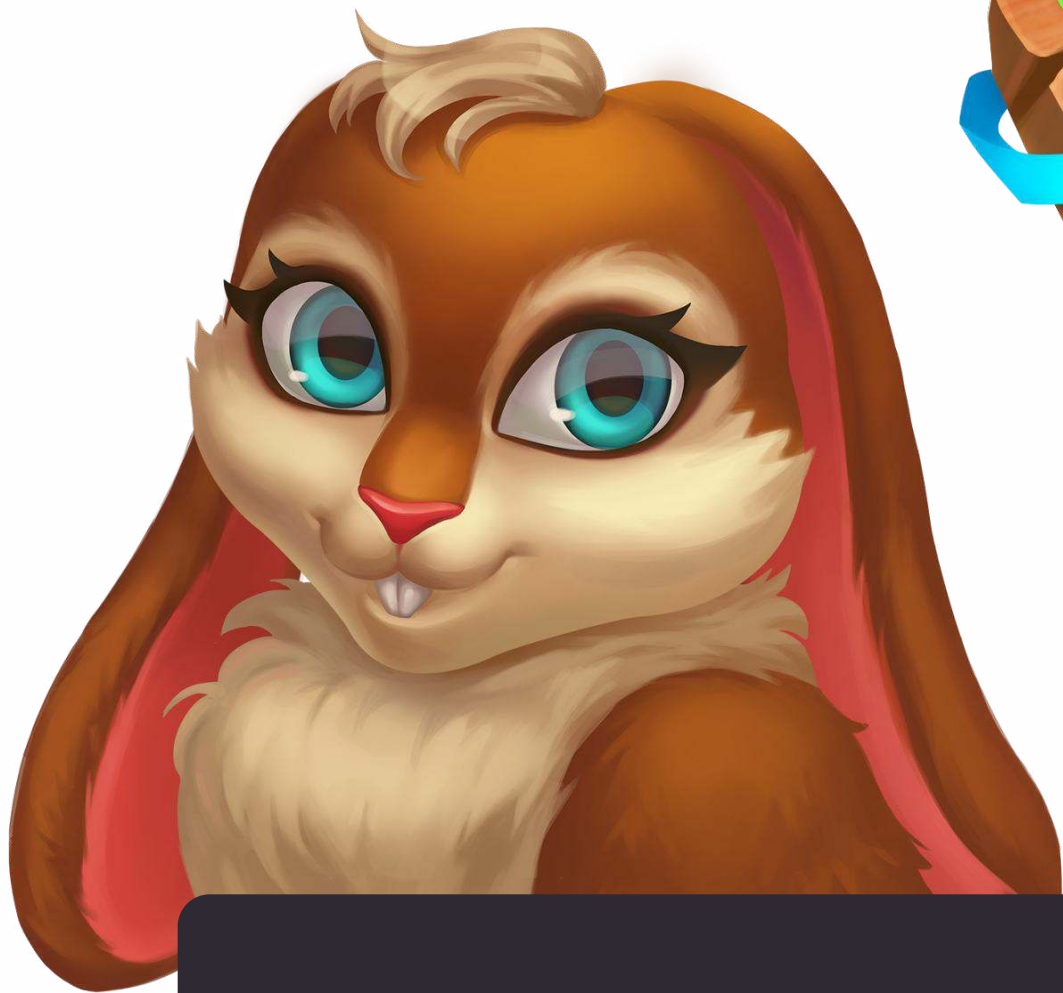

*The developer is just in time for the holiday  
to treat their players with a special release.*

Easter Luck is all about vibrant graphics and Easter-themed symbols. This slot game has 6 reels, providing players with 3600 pay ways. Besides that, Easter Luck offers two amazing features: Expanding Wilds Symbols and Free Respin Feature.

Whenever Wild Symbols land on the reels in Easter Luck, they become Sticky, filling the entire reel and transforming it into a Wild Reel that triggers a respin of the remaining reels. If additional Wild Symbols appear during the respin, the chip repeats up to a maximum of 4 times. It can drastically change the course of the game to the player's benefit.
