SWEET AND JUICY FLAVORS INTERTWINE WITH CAPTIVATING VISUALIZATION AND REWARDING MECHANICS IN THE NEW SLOT GAME BY MASCOT GAMING – FRUIT MACHINE: MEGABONUS!

The developer delights players with a fresh interpretation of the beloved classic theme. Fruit Machine: Megabonus offers a thrilling main game and an even more exciting bonus game to its players.

To trigger the Bonus Game, players must land 3, 4, or 5 Bonus Symbols in the main game. The Bonus Game then commences with 3, 4, or 5 starting bonus spins. However, each time a winning symbol appears in the bonus game, the bonus spins counter resets to its original value.

But here comes the twist! The developer has added an additional reel in the bonus game. During each spin of the main reels, this extra reel rotates, selecting the winning symbol that corresponds to various multipliers, reaching up to x500.

This departure from the traditional slot format opens up new possibilities for winning combinations, ensuring that every spin is filled with anticipation and excitement.
