A TRAIN FULL OF HIDDEN RICHES IN THE NEW GAME BY MASCOT GAMING – LOOT THE TRAIN!

When a train full of countless riches rushes through the lands of the Wild West, there is no other option but to jump in along with two fierce lady gangsters in the latest slot by Mascot Gaming, and Loot the Train!

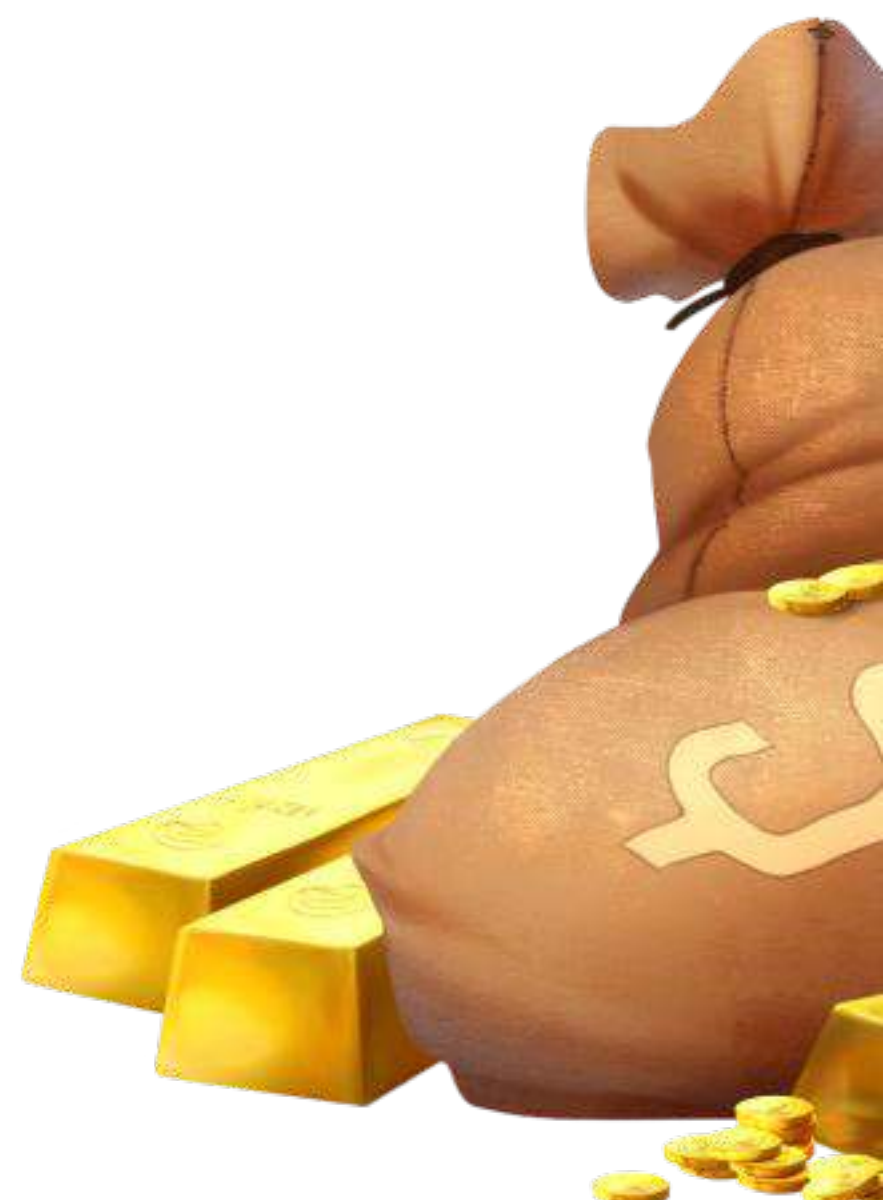

Loot the Train brings players to the familiar world of the Wild West. Mascot Gaming always stands out with its creative approach, even with the popular slot themes. And this time as well, managing to combine the classic Main Game with 20 pay ways and a thrilling adventure in the Bonus Game, charging it all with stunning graphics and quite relaxing music that only helps to focus on the game.

The richest place on the train is a trendy Bonus Game with popular bonus accumulation mechanics. With each spin, the symbols are accumulated, forming one big win. With a wider variety of symbols, the Bonus Game offers not only the bet multipliers but the total win multiplier also. These two are multiplied by each other, increasing the bet. Other additional symbols increase the maximum number of spins in the bonus game. The bonus game runs until the entire screen is filled with symbols or if the winning symbol is not rolled three times in a row.
