For those feeling adventurous, the thrilling Risk game is designed like a Wheel of Fortune with three levels, each featuring different available multipliers. Players can risk their winnings and spin the wheel, with opportunities to multiply their earnings from x2 to x5. The maximum multiplier in the Risk game is a staggering x1000 of the total bet.

In addition to these standout features, during Free Spins, all Gold Wild Symbols become sticky, staying in their positions for the entire series and substituting for all other symbols. Fill the 3 central reels with sticky Gold Wilds to be rewarded with 3 additional Free Spins.

Mascot Gaming's creative approach is easy to recognize - Minotaurs Wilds boasts captivating graphics and enthralling music. It's vivid and engaging.
