JOIN THE SEA-CAPTAIN IN THE CAPTIVATING QUEST TO FIND THE GREAT TREASURES IN THE NEW SLOT GAME BY MASCOT GAMING, MIST.

*In Mist's embrace, ancient beasts awaken,
Stirring fortunes that are yours for the taking.*

Are you feeling adventurous? The great treasures of the ancient sea-beast await you!

The developer unveils its new slot game, "Mist," where thrilling features and an immersive atmosphere make for an unforgettable journey.

Each time the Wild Symbol lands on the screen, it expands to the full height of the reel, becoming the Wild Reel, triggering 1 Free Respin and remaining in place for the duration of Respins. Played on the 5x3 field, Wild Symbols can appear on reels 2,3 and 4. Additionally, if a new Wild surfaces during the Respin, an extra Respin is activated. The maximum number of Respins is three, each with an increasing multiplier—x3 on the first, x9 on the second, and x27 on the third.

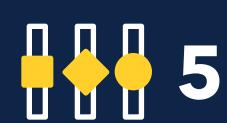

After securing a win, players have the opportunity to gamble their winnings for a chance to increase them. The Gamble feature offers a chance to double the winnings by selecting a card higher than the dealer's.
