PAPER LANTERNS CRASH GAME

RELEASE YOUR PAPER LANTERNS TO THE SKY AND UNVEIL A WORLD OF TREASURES IN THE FIRST CRASH GAME BY MASCOT GAMING PAPER LANTERNS CRASH GAME.

*Place your bets and watch them rise,
Like paper lanterns in the skies.*

This is a debut release in the popular genre of crash games, a type of game featuring an ever-increasing multiplier that crashes at unpredictable moments.

In Paper Lanterns Crash Game, players can place 1 to 5 bets simultaneously and watch as the win rate for each bet escalates. Players have the option to collect their winnings at the current win rate at any moment. The objective is to skillfully predict when the win rate will peak and collect it before the crash. Should the player fail to do so, the bet will be forfeited. The maximum achievable win rate is an impressive x5000.

Players may also earn between 1 and 5 Free Bets for each individual bet they place. These Free Bets can manifest randomly during any increase in the winnings rate and are only awarded to the player if they successfully collect their winnings before the round ends. The maximum number of Free Bets attainable from a single bet is 5.
