# RE-KILL ULTIMATE

**GET READY TO AIM AND FIRE ONCE MORE  
WITH THE THRILLING NEW SLOT GAME  
BY MASCOT GAMING, RE KILL ULTIMATE.**

*Spin the reels, bet on fate,  
Where undead rise and thrills await.*

Building on the tremendous success of the original Re Kill, Mascot Gaming resurrects the adventure with even more intensity. In Re Kill Ultimate, the relentless zombies and electrifying features will keep you on the edge

In the main game, the Random Wild Reel feature can be triggered at any moment, turning up to 5 reels into Wild reels. Keep an eye on those zombie hands - they might not be as scary as they are beneficial. Landing 3, 4, or 5 Scatter Symbols triggers 15, 20, or 30 Free Spins, respectively. The Wild Symbol substitutes for all symbols, except Scatters, in both the main game and Free Spins.

During Free Spins, a Wild Symbol pays as the highest-value symbol. When a Wild lands on the screen along with character symbols, it transforms them into Wild Symbols for the current spin. Additionally, landing 3, 4, or 5 Scatter Symbols during Free Spins awards an extra 15, 20, or 30 Free Spins, respectively. Free Spins are played with x2 multiplier.

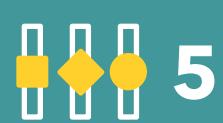

The slot game features a new version of the famous Risk and Buy feature. Players can purchase Free Spins at any time, choosing between a predefined offer or a unique random offer. This special random offer provides a one-of-a-kind opportunity to buy Free Spins at a fluctuating price that changes after every spin.
