**DEEP WITHIN THE MURKY DEPTHS, A BEAST  
UNLIKE ANY OTHER GUARDS THE TREASURES OF  
THE VAST SEA IN THE NEW SLOT GAME,  
REVEAL THE KRAKEN BY MASCOT GAMING.**

*Journey to the depths, to the Kraken's hidden nest,  
Where ghostly ships lie, and countless treasures rest.*

Set at the bottom of the sea amidst sunken ships, *Reveal the Kraken* takes players on a treasure-seeking quest brimming with danger and thrill. Hoist the sails!

Within a fleet of dynamic features, the game hoists its flagship - the new Risk and Buy feature that has swiftly garnered the favor of players across the seas.

Players can buy Free Spins at any time by choosing either a predefined offer or a special random offer that allows players to buy Free Spins at a unique price that changes after every spin.

For the more daring, the thrilling Risk game is designed like a *Wheel of Fortune*. Spread across three levels, it introduces varying multipliers. Players can risk their winnings and spin the wheel, with opportunities to multiply their winnings from x2 to x5. The maximum multiplier in the Risk game is a staggering x1000 of the total bet.

In addition, the game offers three types of bonuses. When players land 3 or more Bonus Symbols, they trigger the Bonus Game. The Bonus Symbols that activate the Bonus Game transform into Sticky Wilds. The Bonus Game begins with a single bonus spin. Each time a Wild Symbol appears on the screen, it turns sticky, initiating an additional bonus spin. Once the Bonus Game ends, the Super Bonus Game begins, and all Sticky Wilds are transferred to it.

The third bonus type is the Extra Bonus Feature. If Sticky Wilds fill all the reels during both the Bonus Game and the Super Bonus Game, the game ends. Players then receive a win equivalent to the payout for the highest-value symbol across all 20 paylines, multiplied by the remaining bonus spins in the Super Bonus Game.

Designed for the real treasure hunters that carry their love for the sea at heart, Reveal the Kraken masterfully evokes the spirit of adventure. With finely detailed marine-themed graphics and haunting soundtrack, it's easy to feel aboard the legendary Flying Dutchman.
