## THE MOST DELICIOUS SWEETS ARE SERVED IN THE NEW SLOT GAME BY MASCOT GAMING, THE CANDY SLOT DELUXE.

*In a realm where sweet delights and colors mesh,  
The Candy Slot Deluxe spins a sugary caress.*

Mascot Gaming is expanding its portfolio of sugary slots with the new title, The Candy Slot Deluxe. Fans of the candylands will be pleasantly surprised—the new title is wrapped in the most exciting features.

To trigger Free Spins, players must land a minimum of 5 Scatter Symbols in the base game, while landing 5 or more Bonus Symbols activates the Coin Feature, rewarding players with prize coins in both the base game and Free Spins.

An additional layer of excitement is introduced with the Random Feature, which adds special symbols, such as Wilds, Scatters, and Bonuses, to the reels during a random spin in the base game and during every spin in the Free Spins series. The game maintains its pace by offering extra Free Spins when players land 5 Scatter Symbols during the Free Spins mode.

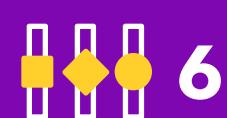

In both the base game and Free Spins, the Wild Symbol substitutes for all symbols except for Scatter and Bonus symbols. Wilds appear on all reels except for the leftmost one.

Another amazing addition to the set of thrilling mechanics is the developer's famous Risk and Buy feature. Players are presented with two Buy offers, one of which is a special random offer with a dynamic price. The Risk game, designed as a wheel of fortune, presents players with the chance to multiply their winnings by up to x1000.

The Candy Slot Deluxe is a rich and vibrant slot. Each element is designed to immerse players more deeply into candy land with sugary landscape, creating an atmosphere that is both cheerful and inviting.
