

SLOT GAME

THE OLD LEGEND COMES TO LIFE IN THE NEW SLOT GAME THE PENDRAGON LEGEND BY MASCOT GAMING.

*Where knights and slots become one sprite,
The Pendragon Legend shines ever so bright.*

This marks the developer's second slot game to feature the new version of Risk and Buy. Drawing inspiration from cherished legends, The Pendragon Legend evokes a unique fairytale ambiance, plunging players into the realm of old Celtic tales.

The Pendragon Legend invites players to enjoy the set of exciting features. The main feature is Risk and Buy, with the new interpretation that the developer introduced in its previous release. Players have two options: either to Risk their winnings by trying to increase them in the Risk game, or Buy a certain number of Free Spins with the proposed conditions and at the suggested price.

The Risk game is designed as the Wheel of Fortune with three levels. By landing on an Arrow symbol, you can unlock the next level. New levels provide bigger prizes but also come with a higher risk of losing.

Another feature is called Click Me. Sounds interesting, right? Well, with this feature players can actually win up to 30 Free Spins with a multiplier up to x5.

The Pendragon Legend is a mesmerizing slot game, appealing not just to fans of the renowned legend but to anyone fond of enchanting tales. The game radiates with luminous colors, and its characters are both engaging and graceful, while the soundtrack sweeps players into a world of valiant quests, gleaming swords, and the unity of knighthood.
