Launched earlier this summer, the new version of the Risk and Buy feature has already captivated gamers. What's more, a special random offer that updates after each spin, enabling players to buy Free Spins at a unique price.

For the adventurous at heart, the Risk game unfolds as a Wheel of Fortune, with three levels, each offering different multipliers. Players can risk their winnings, spinning the wheel for a chance to multiply. The maximum multiplier in the Risk game is x1000 of the total bet.

Players can step into a Free Spins adventure by landing three or more Olympian symbols in the main game. Depending on the symbols you land, there are three types of Free Spins series awaiting: Zeus, Hades, or Aphrodite. In all three, symbols become sticky until the series ends or until they contribute to a winning combo. These sticky symbols overlay any symbols below them. Plus, every Scatter appearing during Free Spins grants an additional spin.

Like all Mascot Gaming slot games, Zeus the Thunderer Deluxe boasts detailed graphics and an incredible soundtrack. Compelling characters will accompany you on your quest for godly treasures.
