

HOCKEY LOVERS, PREPARE FOR THE ULTIMATE CHALLENGE IN THE NEW SLOT GAME BY MASCOT GAMING, ICE NUMBER ONE.

*Take the helm in a frosty quest,
Ice Number One puts you to the test.*

For those who adore this exciting winter sport or simply love a good challenge, Mascot Gaming presents the thrilling new slot game, Ice Number One. You take on the role of the team captain, playing along with an exhilarating array of features.

The slot game offers Free Spins with a Side Bet feature. Before the series of Free Spins starts, players should place a side bet and try to guess the winners of the Free Spins.

There are 4 teams playing. Successfully guessing the #1 winner will grant a x5 multiplier. If players guess the #1 and #4 winners, the multiplier will be x10. To get a x25 multiplier, players must correctly guess the winners for the first, second, and third places. This multiplier will be applied to the total win of the Free Spins series.

With the developer's famous Risk & Buy feature, players can purchase free spins, choosing between two offers: a standard one and a dynamic offer that changes price after each spin.

Ice Number One invites you to take part in the ultimate challenge of the season. It captures everything we love about hockey: the excitement, the competition, the speed, and the chill of the ice. The slot game's design immerses you in the atmosphere of a real ice arena, while the lively soundtrack propels you into a thrilling winter competition.
