

THE BATTLE FOR RESOURCES AND POWER CONTINUES IN THE NEW SLOT GAME BY MASCOT GAMING, **RIOT ULTIMATE!**

*Riot returns with a darker thrill,
Where fortune is gained by skill and will.*

The chaos of Riot returns, but with more excitement! Mascot Gaming expands its flagship series with Riot Ultimate, a slot game that not only captivates with its intense storyline but also impresses with an array of thrilling features.

Riot Ultimate introduces three types of Free Spins, each with unique mechanics:

Sticky Wild Reels & Respins

Players should land 3 Bird Scatter symbols to trigger 10 Free Spins. During these spins, the Soldier symbol, appearing only on reels 2, 3, and 4, becomes a Sticky Wild Reel and triggers a Free Respin.

Sticky Wild Symbols

Triggered by 3 Skull Scatter symbols, this feature awards 10 Free Spins where all Bandit symbols transform into Sticky Wilds, holding their positions for the duration of the Free Spins.

Multiplier Free Spins

By achieving a winning combination of 4 or more Survivor symbols in the base game, players will trigger Free Spins with a x3 multiplier. In this mode only, any additional Survivor symbol combination grants extra Free Spins.

Accessing these Free Spins is simple with Mascot Gaming's signature Risk and Buy feature. Players can choose from predefined standard offers or opt for the dynamic offer, which changes its price after each spin, providing access to one of the three Free Spin types.

Players can increase their winnings even more with the Risk Game. After a successful spin or series of Free Spins, players can risk their winnings for a chance to multiply them.

The Risk Game is played on a 5x3 grid with 15 cells, each hiding a multiplier, empty cells, dynamites that end the game with a loss, or special symbols that advance players to the next level with even higher multipliers—and greater risks.

The dark, intense graphics, combined with a rebellious soundtrack, create a setting that feels both menacing and thrilling, perfectly capturing the essence of an ultimate battle in a world on the brink of collapse.

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

«Riot is back! We understand why players love this series—the gritty atmosphere, compelling features, and dynamic gameplay are what make it truly stand out.»
