

REACH NEW HEIGHTS WITH MASCOT GAMING'S KITE FESTIVAL CRASH GAME!

*As kites ascend, the thrill ignites,
Where bold bets fuel the endless heights.*

Mascot Gaming is thrilled to introduce Kite Festival Crash Game, an exhilarating addition to the crash game genre that promises to elevate your gaming experience to new heights.

Players can place from 1 to 5 bets at once, watching as the win multiplier soars up to an incredible x5000. The thrill lies in the balance between risk and reward—players must decide the perfect moment to collect their winnings before the multiplier crashes. Should they miss the optimal moment, their bet will be lost.

Kite Festival Crash Game features up to 5 Free Bets with every launch. These Free Bets can appear randomly during the game, offering additional chances to win without risking more of your balance. To claim them, you need to cash out before the crash.

Set against the backdrop of a lively kite festival, this game brings a burst of color and energy to the screen. The kites, each representing a player's bet and displayed in its own color, rise higher and higher, mirroring the increasing tension as the multiplier climbs.
