Dreaming of escaping to a lavish fruit paradise this October? You're in luck! Join Mascot Gaming on this exciting getaway.

Booming Fruity Boom is the perfect escape in the heart of autumn, offering thrilling gameplay and the promise of juicy rewards.

Here's how it works: each win fills the accumulation scale, and when you achieve 5 or more consecutive wins, you'll trigger Free Spins with a modifier. You can unlock up to 5 Free Spins with multipliers as high as x10. During Free Spins, each win resets the counter, giving you more chances to keep playing.

Make the most of the Risk and Buy feature. Cut your way directly to Free Spins with a buy offer under set conditions, or take advantage of a special random offer that changes its price after each spin.

After every win, you can try your luck in the Risk Game. Designed like a Wheel of Fortune with 3 levels, the Risk Game can multiply your winnings up to x1000. Each level hides bigger multipliers, but also higher risks.

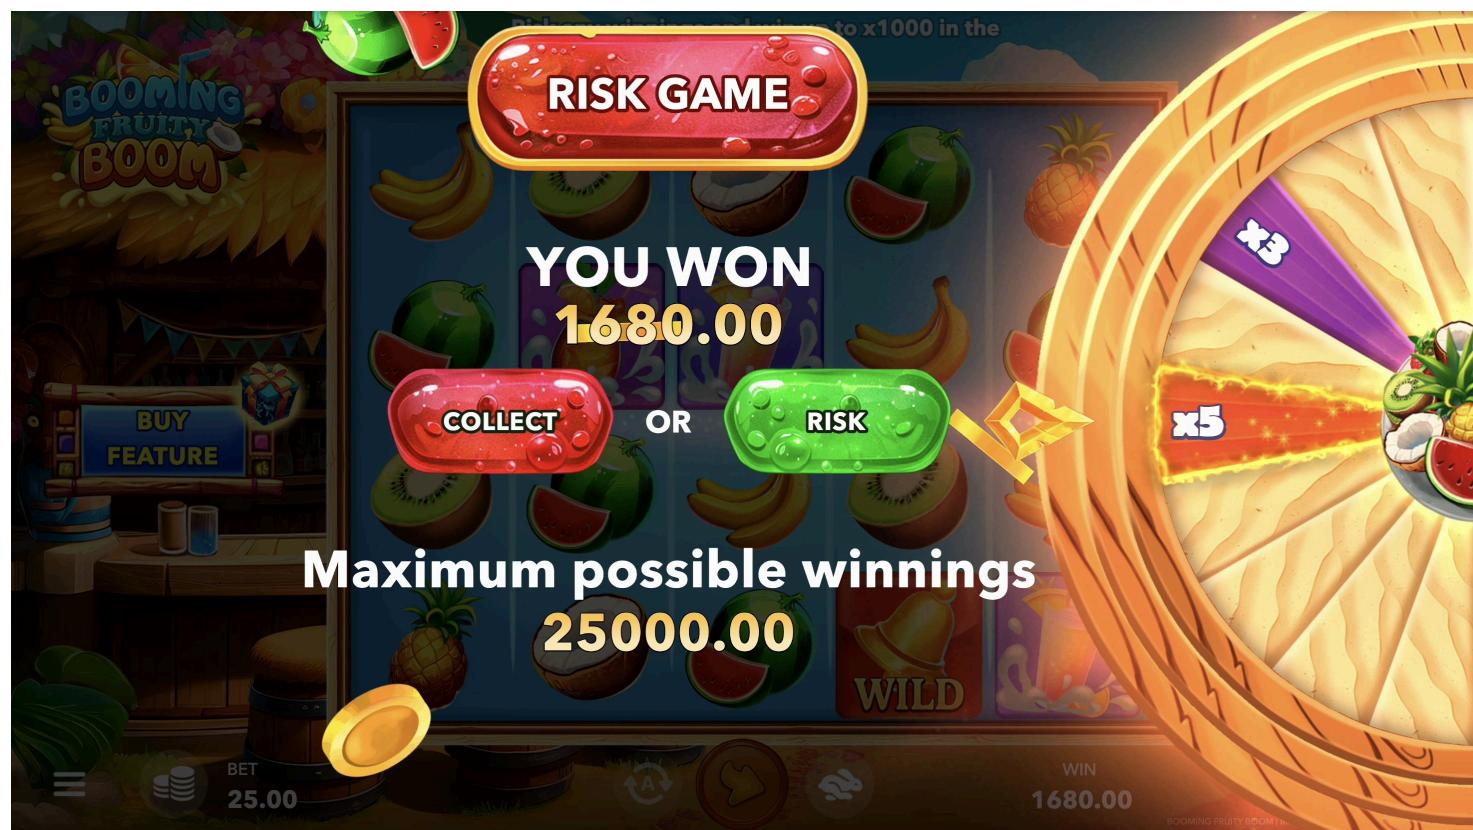

With every spin, you can almost feel the breeze and hear the waves, creating an immersive experience that blends excitement with the calm of a tropical vacation. The lively yet relaxing visuals and upbeat environment keep the game fun and inviting, making every round feel like a refreshing splash of fruit-filled excitement!

**Margarita Malyshova,  
Head of Marketing at Mascot Gaming:**

"It's time to enjoy a tropical cocktail with a paper umbrella and a slice of fresh fruit—sit back, relax, and let Booming Fruity Boom take you on a vacation with every spin."
