ENJOY THE BEST OF THE FESTIVE SEASON WITH MASCOT GAMING'S NEW SLOT GAME, **ICY ROCKFALL X25.**

*In a world of snow and holiday lights,
Every spin brings festive delights.*

As we enter this magical time of year, Mascot Gaming unveils a special slot filled with exciting features and the potential for impressive rewards.

The Rockfall feature makes each spin in Icy Rockfall x25 dynamic and engaging. After every winning combination, the winning symbols disappear, allowing new symbols to cascade down and potentially trigger additional wins. With each successive win, the multiplier grows—from x1 to x3, x5, x10, and finally x25 on the fifth win and beyond.

The Coin feature offers another rewarding element: each Scatter symbol awards a random coin amount, which is then multiplied by the current Rockfall multiplier. This allows players to collect significant rewards, especially as the multipliers rise.

The Wild symbol enhances gameplay further, substituting for all symbols except Scatters and doubling any winnings it contributes to, boosting the chances for big payouts.
