

PRECIOUS STONES AND THE SPACE ADVENTURE AWAIT YOU IN THE FIRST ROCKBLOCKS GAME BY MASCOT GAMING, **SPACE GEMS ROCKBLOCKS**.

*In cosmic seas where crystals gleam,
A treasure awaits beyond the dream.*

Mascot Gaming makes an exciting leap into uncharted territory with its newest addition: a rockblocks game. Unlike traditional paylines, rockblocks games reward players for forming groups of adjacent matching symbols, bringing a fresh and dynamic twist to the gameplay.

Set on a 6x6 grid, Space Gems Rockblocks invites players on an interstellar journey filled with dazzling gems and captivating rewards. Rockblocks of 5 or more matching symbols that connect horizontally or vertically trigger payouts.

Every win activates the thrilling Rockfall feature. Winning symbols disappear, making way for the remaining ones to cascade downward, while new symbols fall from above, creating endless opportunities for cosmic wins.

Landing 5 or more astronaut symbols unlocks the Coin Feature, turning these symbols into sparkling random coin prizes. Adding to the intergalactic allure, the UFO symbol appears to grant a random multiplier from x2 to x10, applied to the total win across all Rockfalls.
