THE GODDESS RETURNS TO LEAD YOU TO ANCIENT TREASURES IN MASCOT GAMING'S LATEST SLOT, **BASTET AND CATS DELUXE.**

*Through ancient tombs, her voice will sing,
Of golden treasures you may win.*

Amidst the scorching sands of ancient Egypt, precious stones await discovery. Bastet and her loyal companions will guide you on the path to riches.

Fans of the original won't be disappointed—this beloved character is back with thrilling new features, including the latest version of Risk & Buy, and stunning, rich graphics.

Here's how it works: With the Rockfall feature, all winning symbols are cleared from the screen and replaced with new ones. With each Rockfall, multipliers increase—up to x5 in the Base Game and up to x15 in Free Spins.

To trigger 15 Free Spins, players must land at least 5 Scatter Symbols in the Base Game. For each additional Scatter in the triggering combination, they'll receive 3 extra Free Spins.

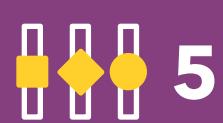

Players can also take advantage of Mascot's famous Risk & Buy feature, jumping straight to Free Spins. They can choose between a standard Buy offer with predefined conditions or a dynamic offer, where the price changes after each spin.

After a successful spin or Free Spins, players can further multiply their winnings with the Risk Game. Designed as a Wheel of Fortune with three levels, this game offers increasingly higher multipliers on each level—along with higher risks. The maximum multiplier in the Risk Game is x1000.

Bastet and Cats Deluxe brings the rich and mystical atmosphere of ancient Egypt to life with vibrant colors, intricate details, and charming characters. The mysterious soundtrack guides players deep into the heart of the desert, where ancient secrets and treasures await discovery.

**Margarita Malyshova,
