

LEAD YOUR FACTION TO VICTORY IN MASCOT GAMING'S LATEST SLOT, **METAL FRONTIERS!**

*Reds and Greens are in a clash,
But one spin could turn it all to cash*

Explore a post-apocalyptic wasteland in search of resources and triumph. Mascot Gaming presents a thrilling adventure packed with incredible opportunities, engaging gameplay, and endless excitement.

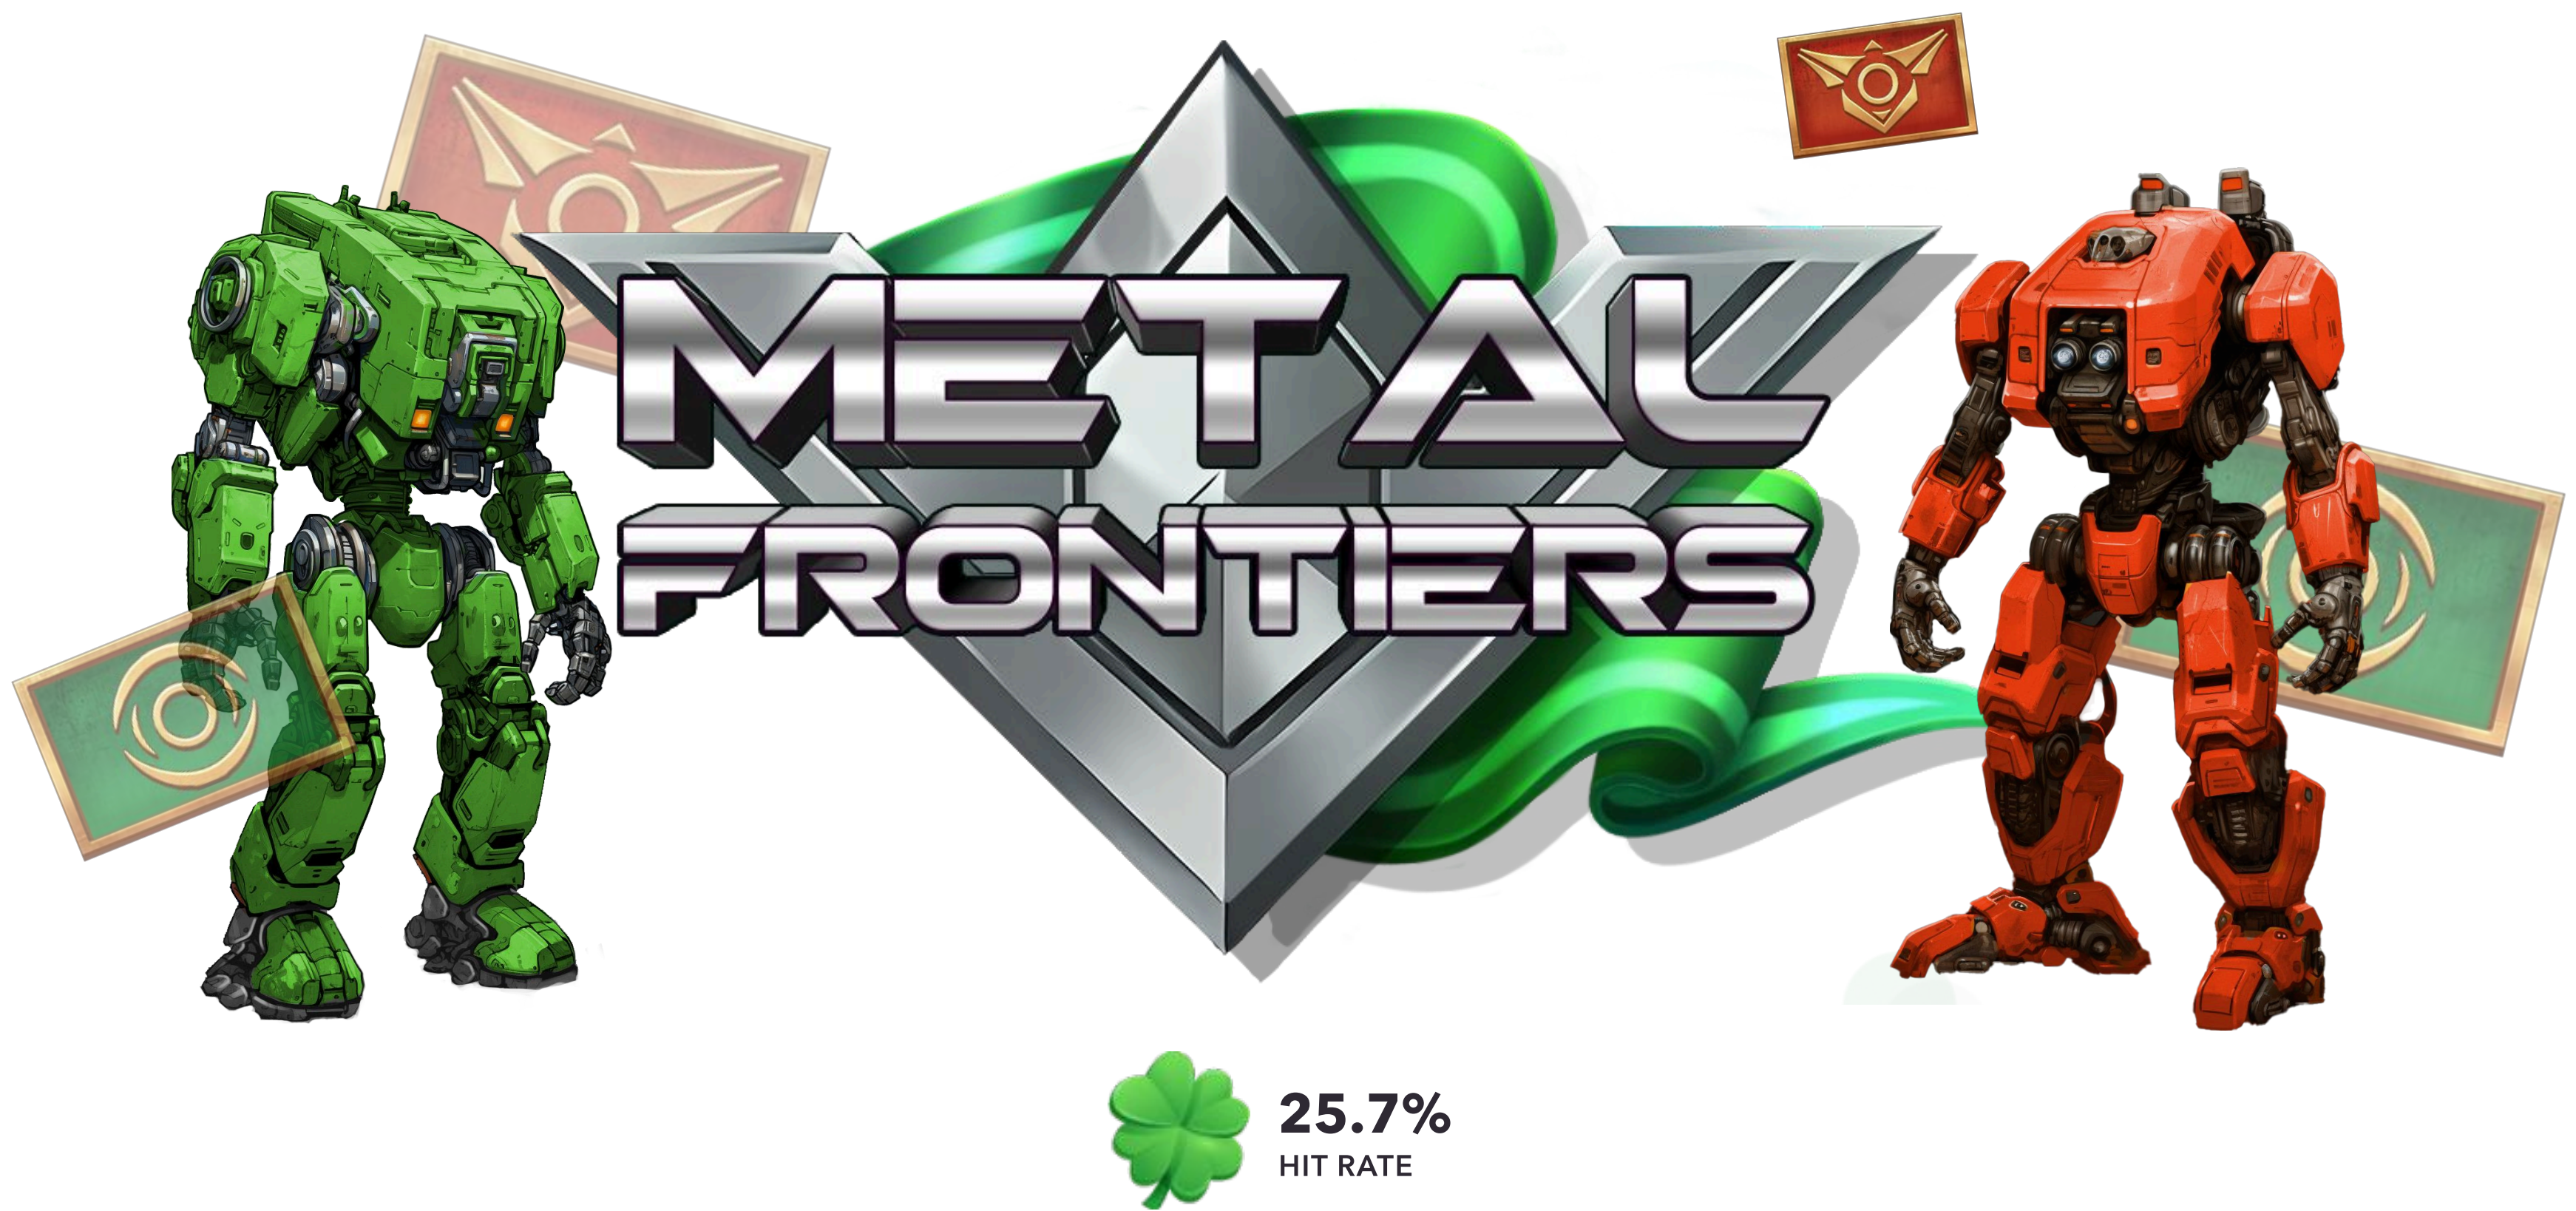

Metal Frontiers is a 5x6 slot game where combinations of 7 or more symbols pay anywhere on the reels.

In this game, two factions, Reds and Greens, compete for dominance. Choose your side to access a unique Bonus Game with either 2 or 3 Bonus Spins, depending on your faction. Only symbols matching your chosen faction's color are active in the Bonus Game, and 5 or more faction badges trigger it.

The Base Game features the Rockfall mechanic, where winning combinations vanish and are replaced by new ones after each winning spin, maximizing your chances of consecutive wins.

In both Base Game and the Bonus Game, each badge applies a random multiplier to winnings based on its color.

For players eager to jump straight into the Bonus Game, the developer's signature Risk & Buy feature allows direct access, offering two standard buy options and a dynamically priced option that updates after each spin.

For those seeking even greater rewards, the Risk Game provides a chance to multiply winnings further. Played on a 5x6 grid, players uncover cells with multipliers and empty cells or risk encountering dynamite symbols, which ends the game. Special symbols offer a gateway to higher levels, where multipliers—and the stakes—only get bigger!

Metal Frontiers immerses players in a gritty, post-apocalyptic wasteland where factions clash for control over scarce resources. With a striking contrast between the Red and Green factions, the game creates an intense atmosphere filled with metallic tones and battle-hardened characters.

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

«In Metal Frontiers, we invite players into a world on the edge of ruin, where each spin determines survival or defeat, making every moment unforgettable.»
