The festive season doesn't have to end—it continues with the latest addition to Mascot Gaming's portfolio: Lucky Year 25!

This thrilling slot game is perfect for those who cherish the traditions of the Chinese New Year. Packed with exciting features, Lucky Year 25 brings a festive atmosphere and incredible winning potential. In the base game, landing 3, 4, or 5 Scatters triggers 10, 12, or 15 Free Spins, respectively, with a starting multiplier of x3.

During Free Spins, players can win additional spins, further increasing the multiplier up to an impressive x25. To win more Free Spins, players must land the same number of Scatters as required to trigger the feature.

Wild Symbol substitutes for all symbols, except for Scatters, and multiplies by 2 all wins it is a part of.

To fully embrace the spirit of Lucky Year 25, players can test their luck in the thrilling Risk Game. Designed as a Wheel of Fortune with three levels, the game offers higher multipliers with each level—but at greater risk. To advance to the next level, players must land a special symbol on the wheel.

Lanterns, firecrackers, and Chinese New Year symbols abound: Lucky Year 25 is brimming with festive energy and opportunities. It opens a portal of fortune, helping players charge their year with luck and prosperity.
