MINES BLAST

CHASE THE GEMS AND **DODGE THE BOMBS**

IN THE NEW GAME BY TTT GAMES

MINESBLAST

TTT Games, a fresh and ambitious division of Mascot Gaming, continues its mission to deliver accessible yet engaging experiences with the release of Mines Blast.

Focused on clean design and intuitive gameplay, TTT Games strips away distractions to let the core thrill shine through.

Mines Blast offers a clean, no-frills take on a classic mine-avoidance game. With a 5×5 grid, players choose between 1 and 23 cells, aiming to avoid hidden mines. The more cells selected, the higher the potential payout—but also the greater the risk.

Beyond the core gameplay, Mines Blast features progression-based customization. As players place bets and advance through ranks, they unlock new avatars and interface options, making the experience more personal.

With its minimalist design and straightforward mechanics, Mines Blast is an easy-to-pick-up game that keeps the focus on smart choices and risk management.

## Margarita Malysheva

Head of Marketing at Mascot Gaming

"We wanted to create a game that feels familiar but gives players more control over their experience.

*Mines Blast is simple, clear, and offers just the right amount of challenge."*
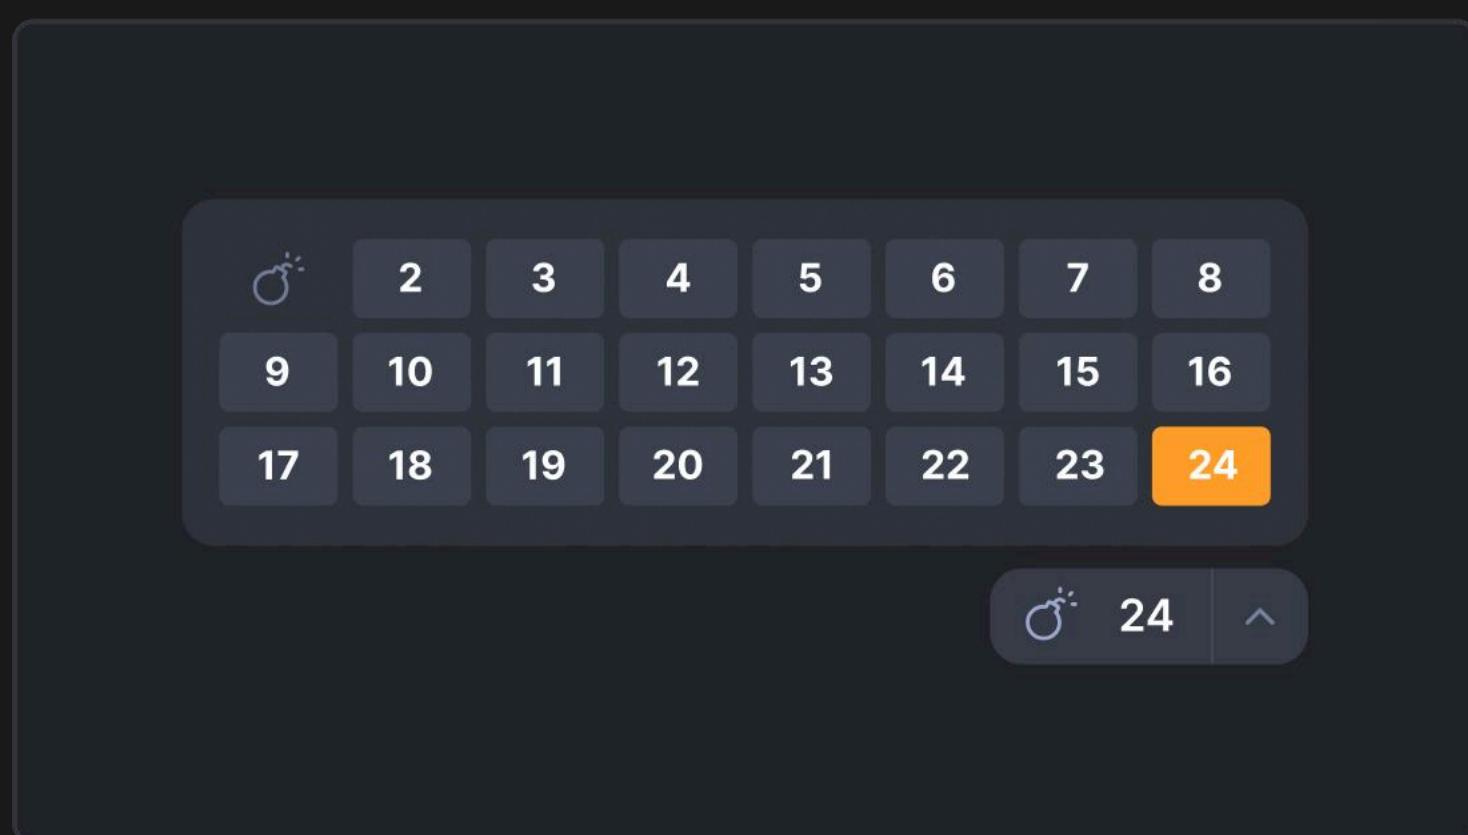

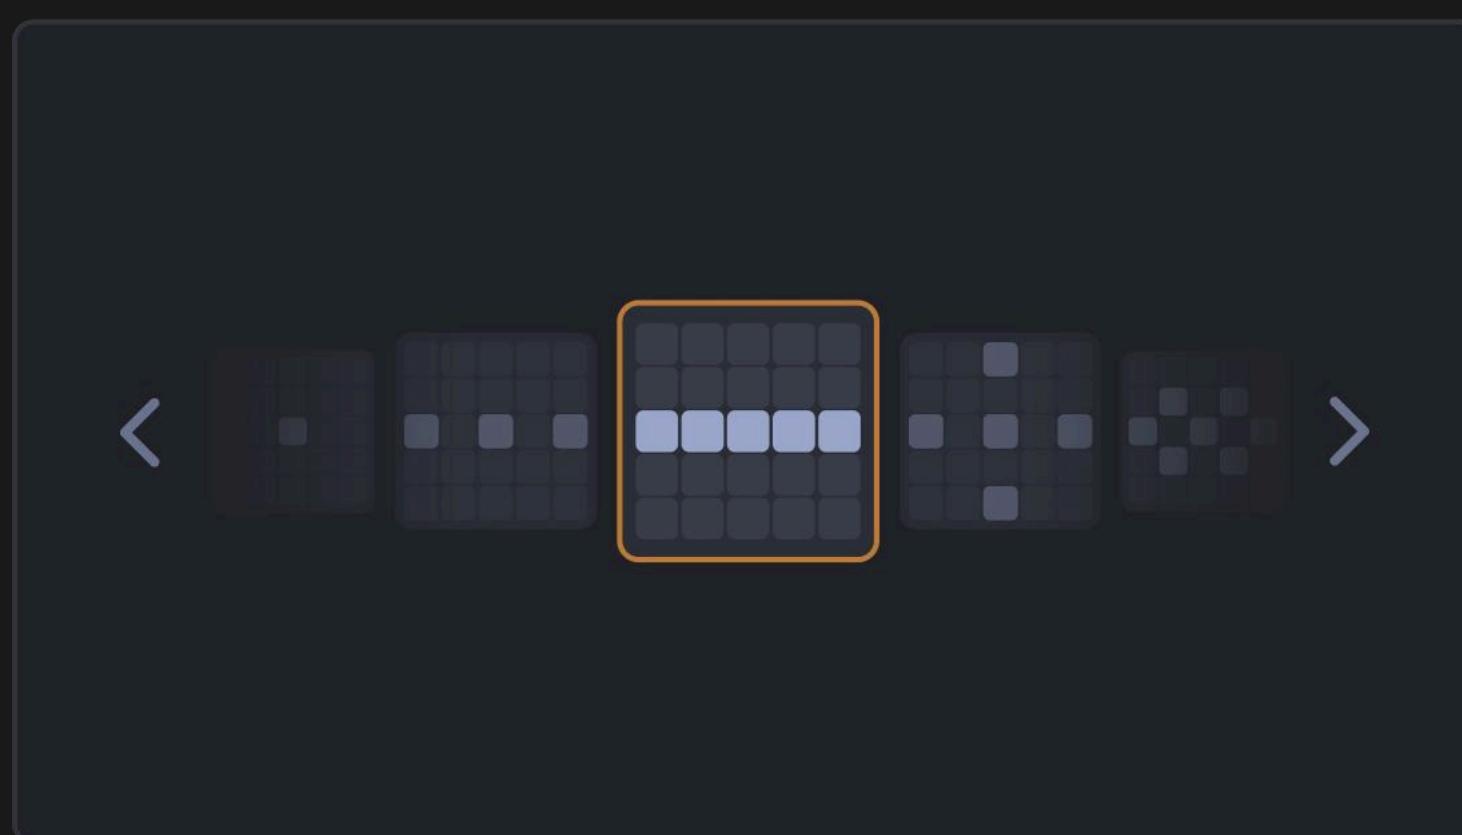

Pattern Selection

The mode includes pre-set patterns for selecting cells, making the betting process faster and more convenient

Mines Amount Selector

Players can adjust the number of mines on the grid, which directly affects the win multiplier
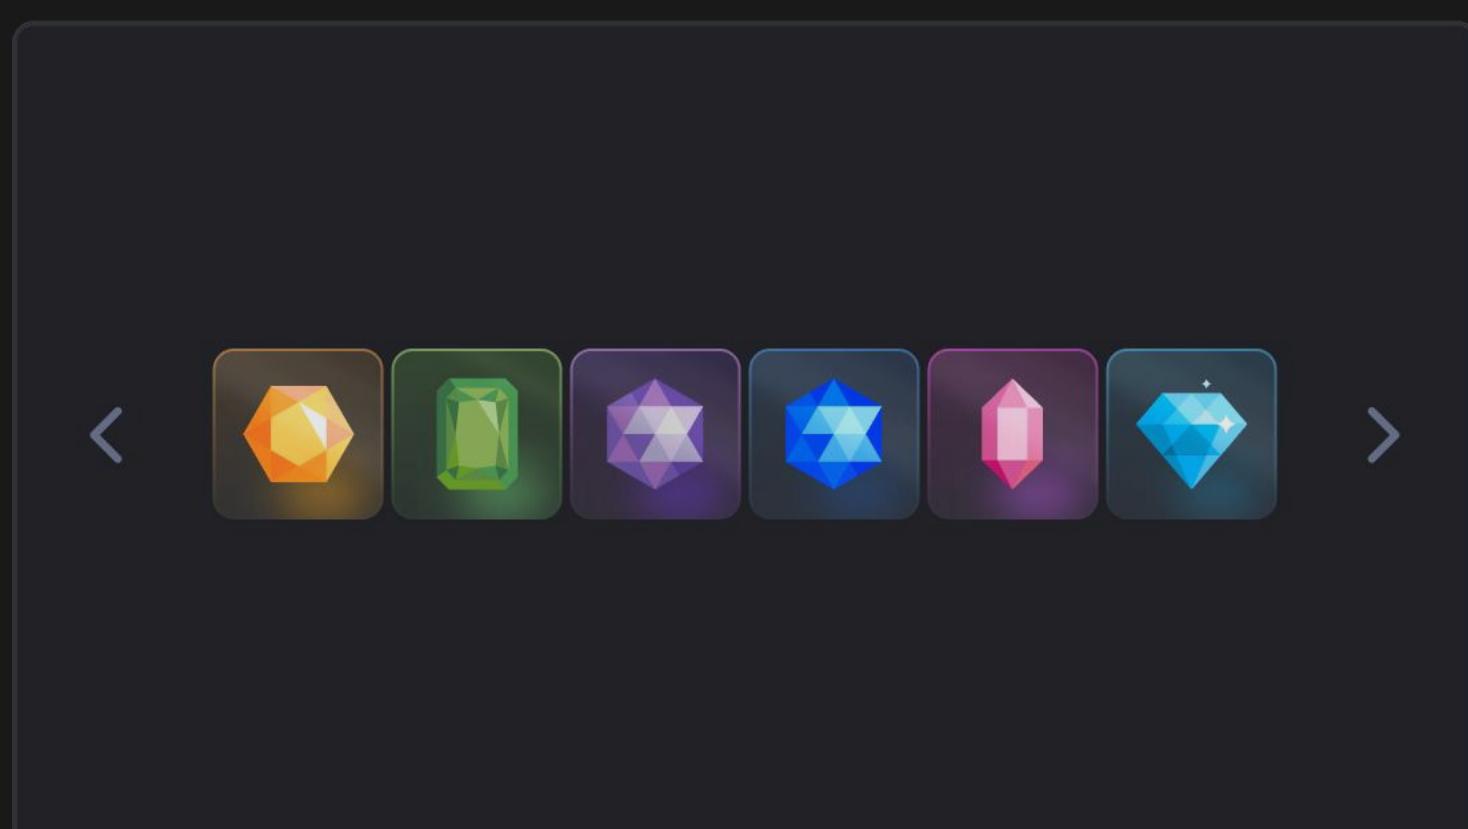

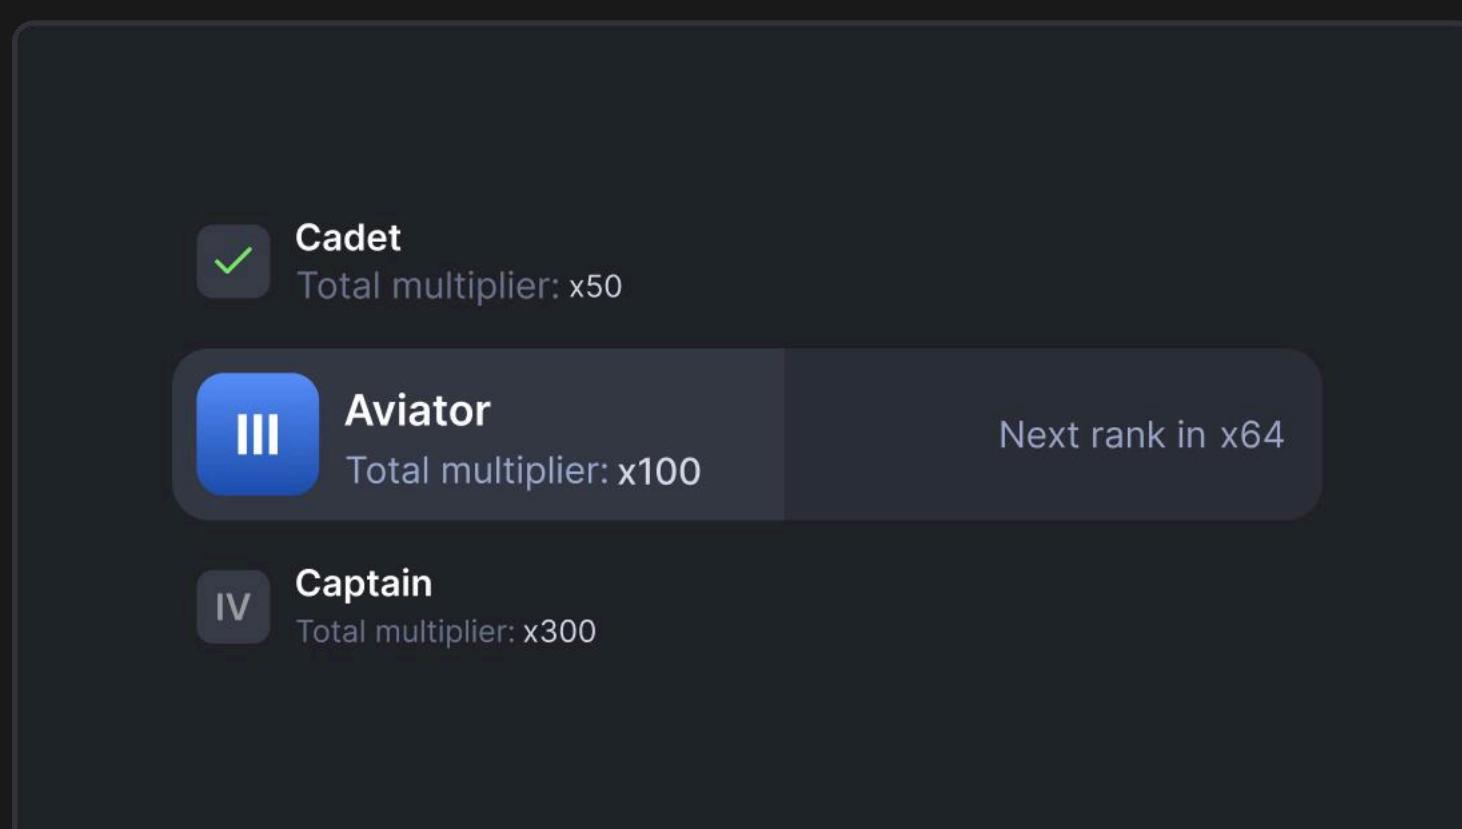

Ranks

By placing bets, players advance through ranks, unlocking new customization elements and avatars.

Customization

Players can personalize the game area and interface elements to their liking using customization options.
