# LOCK AND LOAD YOUR WEAPONS FOR COSMIC WINS IN THE NEW GAME BY MASCOT GAMING, **SHOOTING GALAXY**

*Monsters lurk in cosmic light,*
*A single shot can win the fight*

In a galaxy far, far away…

…a distant planet overflows with pixelated monsters teeming with coins—waiting for a skilled shooter to claim them.

Shooting Galaxy by Mascot Gaming is an electrifying shooting game that takes players on an intergalactic adventure, where precision and quick reflexes unlock cosmic rewards.

The game features two exciting Bonus Games, each introducing different bosses: Green Boss and Blue Boss. From the Base game players go to the Bonus game with Green Boss, then back to the Base Game and then to the Bonus Game with Blue Boss.

Special symbols unlock Free Shots, allowing players to continue their adventure without spending extra. Additionally, capturing specific symbols grants special rewards.

Whether you're taking aim at monstrous space bees or conquering otherworldly fungi, every shot brings you closer to astronomical wins.

Crafted meticulously pixel by pixel, Shooting Galaxy boasts a stunning retro-futuristic aesthetic, blending nostalgic arcade action with modern gaming excitement.

**Margarita Malysheva,**
**Head of Marketing at Mascot Gaming:**

«Shooting Galaxy is our latest venture into the shooting game genre, and we couldn't be more excited to share it with players. With a laser-sharp aim and the will to conquer, players can unleash their skills to take down galactic creatures and seize epic prizes.»
