

CHOOSE THE WINNING SIDE IN THE NEW SLOT GAME BY MASCOT GAMING, **FOR THE REALM DELUXE**

*Horn or Axe – your fate is spun,
A kingdom's riches to be won!*

Mascot Gaming invites players to choose their side in the ultimate battle for glory with its latest fantasy slot, For the Realm Deluxe.

Set in a vibrant medieval kingdom, For the Realm Deluxe brings epic visuals, captivating characters, and feature-packed gameplay to the reels. As players spin through castles and warriors, they'll uncover powerful bonus mechanics that can lead to legendary rewards.

The game features two types of Scatter symbols, each unlocking a unique Free Spins mode. When three Horn Scatter symbols land on the reels, they trigger Free Spins where the entire reel can become Sticky Wild. These Wild Reels remain locked in place and grant an additional respin each time one appears.

Alternatively, when three Axe Scatter symbols land, players receive Free Spins with Sticky Wild symbols. Any Dark Horde symbols that appear during this mode will become Sticky Wild and remain on the reels for the duration of the feature, significantly increasing the chances of big wins.

In the base game, Wild symbols substitute for all other symbols except for the Scatters, helping players complete winning combinations and paving the way for more frequent payouts.

For the Realm Deluxe also features a Risk Game, where players can gamble their winnings in a three-level Wheel of Fortune-style challenge, each level offering increasing multipliers.

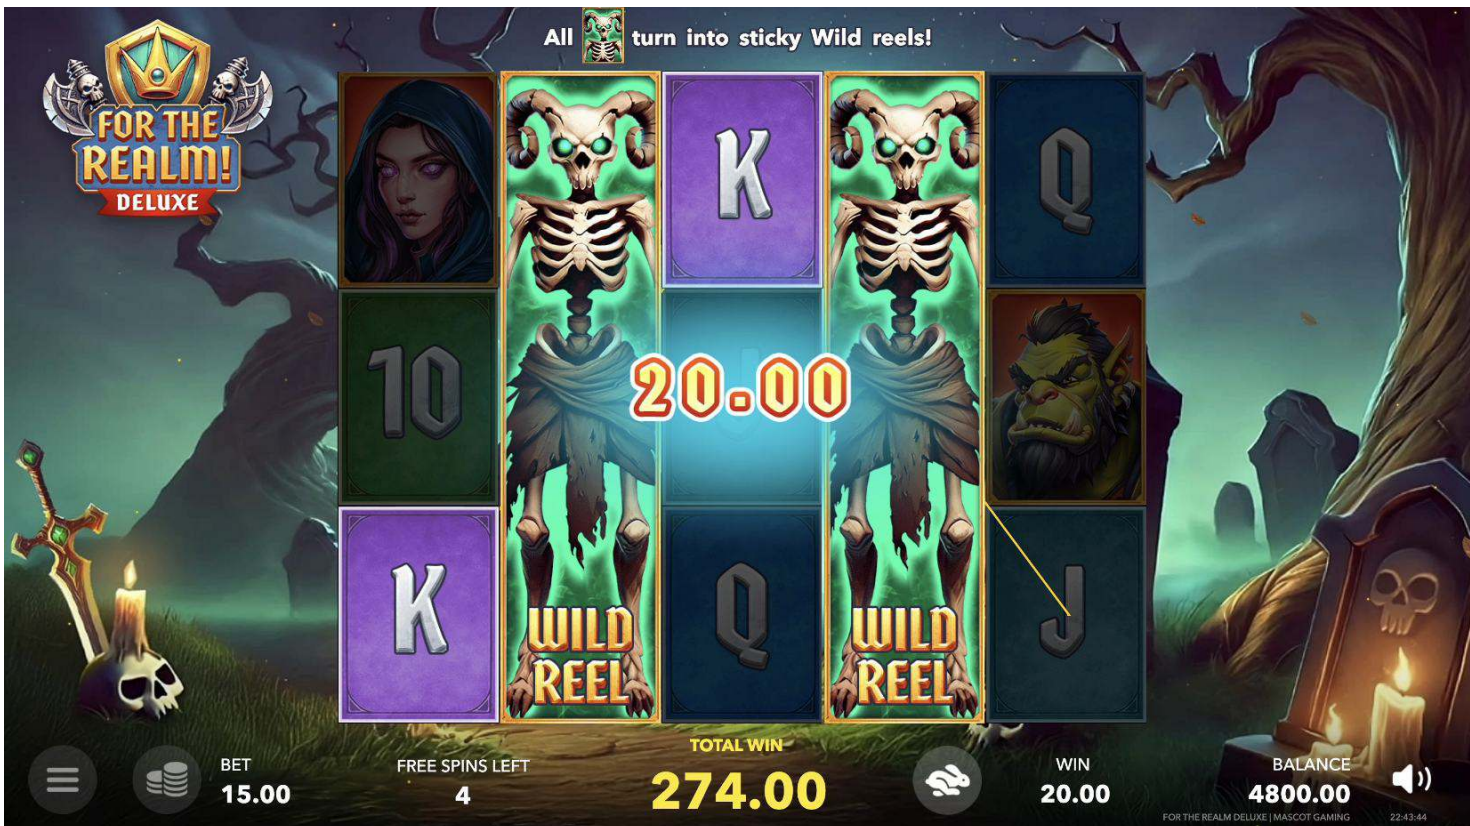

With its rich artwork, immersive features, and intense fantasy atmosphere, For the Realm Deluxe delivers a heroic slot experience where every spin is a battle – and every win, a victory for the realm.
