

BENEATH THE ROYAL SUN, SWEET TREASURES BLOOM IN FRUITY X125 – THE FRESHEST SLOT FROM MASCOT GAMING

*The crowns are off, the fruit is ripe,
The reels are spinning – hold on tight.*

Summer has officially arrived at the royal court – and it's brought an explosion of juicy chaos. In **Fruity x125**, Mascot Gaming invites players to wander through blooming palace gardens, where the grapes are glossier, the watermelons wilder, and every spin has a flavor of mischief.

The main feature of the game is the Wild symbols – there are three of them, and each comes with a multiplier: x2, x3, or x5. These Wilds appear only on the middle reels (2, 3, and 4), and they can substitute for any symbol to help create winning combinations.

When a Wild lands, it turns the entire reel into a Sticky Wild Reel and gives the player a Free Respin. If more Wilds land during that spin, the feature continues. What makes this powerful is that the multipliers from different Wild reels multiply with each other – so two reels with x5 and x3 would give a x15 multiplier. The total multiplier can reach up to x125.

There's also a **Risk Game** – after any win, players can choose to risk their winnings for a chance to multiply it. The multiplier in the Risk Game can go up to x1000 of the total bet. But of course, with great juice comes great responsibility.

Bursting with saturated colors, oversized fruits, and a wink of royal humor, Fruity x125 is a slot that doesn't just want to be played – it wants to be devoured.

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

"With Fruity x125, we wanted to bottle up that perfect summer feeling – bright, playful, and just a little bit risky. It's a celebration of classic slot joy, with a twist of royal madness."

FEATURES

Wilds with Multipliers

3 different Wild Symbols with multipliers of x2, x3, and x5.

Sticky Wild Reels and Respins

Each Wild turns into a Sticky Wild Reel and triggers a Free Respin.

Risk Game

Risk your winnings in the Risk Game for a chance to increase them with a win multiplier.
