

STEP INTO THE ENCHANTED MINES WITH MASCOT GAMING'S NEWEST RELEASE – PRINCESS AND DWARFS DELUXE

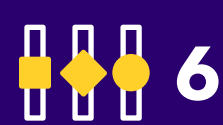

*A whisper in the mine, a shimmer in the night–
Follow the Princess; the dwarfs will set you right.*

Princess and Dwarfs Deluxe is a magical adventure where mystery symbols, cascading wins, and daring choices await every spin. Mascot Gaming combines fairy-tale charm with powerful mechanics, creating a slot experience that feels both enchanting and thrilling.

At the heart of the game lies the Rockfall Feature – all winning symbols vanish, making way for new ones, while multipliers grow with each consecutive Rockfall. In the base game, multipliers can climb up to x5, while during Free Spins they soar up to x15, opening the way to immense treasures.

With Rockways, the number of ways to win changes on every spin as the reel heights shift – ranging from 64 up to 46,656 ways.

The iconic Risk'n'Buy Feature returns. Players can take a chance to gamble their winnings in the Risk Game, where multipliers can reach up to x1000 of the total bet, or buy Free Spins with predefined or unique conditions after each spin. This gives full control over the adventure – risk it all or secure the path to rewards.
