*A bet with Zeus, a roll with fate,
In this game, Olympus opens its gate.*

The king of gods returns, stronger than ever, joined by Hades and Aphrodite. They invite you to conquer Olympus and claim treasures worthy of immortals. This reimagined version of Zeus brings a fresh take on beloved mechanics and divine new twists.

Alongside the main game, players will find the Risk and Buy feature and three unique Free Spins series.

With Risk and Buy, players can purchase Free Spins at any time. Choose from a variety of predefined offers featuring legendary gods, or take a chance with a special random offer that updates after every spin, unlocking Free Spins at a unique price.

For those who seek adventure, the Risk game takes the form of a three-level Wheel of Fortune. Each level offers its own multipliers, with daring players able to push their luck for a chance to win big. The maximum multiplier reaches x1000 of the total bet.

Free Spins are triggered by landing three or more Olympian symbols in the main game. Depending on which deity answers your call, you'll enter one of three Free Spins series: Zeus, Hades, or Aphrodite. In all three, symbols turn sticky until the series ends or they create a winning combination. Sticky symbols remain fixed, overlaying any icons beneath them. Plus, every Scatter that appears during Free Spins adds an extra spin to extend the adventure.

As with all Mascot Gaming creations, 1win Zeus the Thunderer features stunning visuals, a rich soundtrack, and powerful characters that guide you through your quest for divine rewards.
