# ALL BETS GLOW IN THE NEW GAME BY MASCOT GAMING, **LUCKY FRUITY COIN**

*Classic fruit with an eastern flair,*
*Risk it all — if you dare.*

Step into the glow of Lucky Fruity Coin, the dazzling new slot from Mascot Gaming that blends retro fruit machine charm with modern features and rich Asian-inspired visuals. Beneath the neon lights and glowing lanterns, luck is just a spin away.

The game's centerpiece is the Bonus Game, triggered by landing 5 or more Bonus symbols. Once activated, all Bonus symbols become Sticky. With every new Bonus symbol collected, the Bonus counter resets — turning the feature into an exciting cascade of chances. At the end of the round, all accumulated Bonus symbols are paid.

If players collect enough Bonus symbols during the round, they can unlock one of three Jackpot prizes, turning a lucky spin into a glowing payday.

Lucky Fruity Coin also features both directions payouts.

And for the boldest players, there's the Risk Game: after any win, players can choose to gamble their payout for a chance at a multiplier up to x1000 of the total bet.

With a vivid palette of glowing fruits and an atmosphere that mixes street-market heat with classic slot nostalgia, Lucky Fruity Coin is a visual and gameplay feast.
