UNEARTH FORGOTTEN FORTUNES IN MASCOT GAMING'S NEW SLOT GAME, WASTELAND RICHES

*No law remains, no rules apply,
Yet fortunes fall from a nuclear sky.*

In the aftermath of civilization, only the bold dare to chase fortune.

Mascot Gaming's new release, Wasteland Riches, invites players into a scorched world where remnants of the old world collide with radioactive ambition.

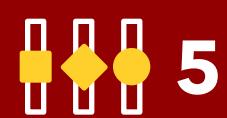

The gameplay in Wasteland Riches reflects its brutal setting—demanding, yet rich with reward. The Wild X2 symbol substitutes for any symbol except Scatters and doubles the payout of any winning combination it completes. Scatter symbols, designed as mushroom clouds, trigger Free Spins based on how many land: 3, 4, or 5 Scatters award 10, 15, or 25 spins, respectively. During Free Spins, all combinations pay anywhere on the screen.

Multiplier symbols appear randomly, doubling the win of the current spin. Multiple multipliers stack—two symbols result in x4, three in x8.

And for those who prefer action without delay, the Risk'n'Buy feature provides direct access to Free Spins and a chance to risk current winnings for a shot at a staggering x1000 multiplier.

From irradiated cockroaches and rusted-out helmets to scavenged gear and crumbling infrastructure, every visual element in Wasteland Riches is designed to echo the world's gritty decay. The slot game's soundtrack by Max Shulgin places players in the boots of lone post-apocalyptic drifters, wandering through silence and ruin in search of treasure.

**Margarita Malyshova,
Head of Marketing at Mascot Gaming:**

"Wasteland Riches is a story of resilience through chance. We wanted to capture the strange beauty of a broken world, where value is unpredictable and fortune favors the daring."

FEATURES

Free Spins

During Free Spins, all winning symbol combinations pay out anywhere on the screen.

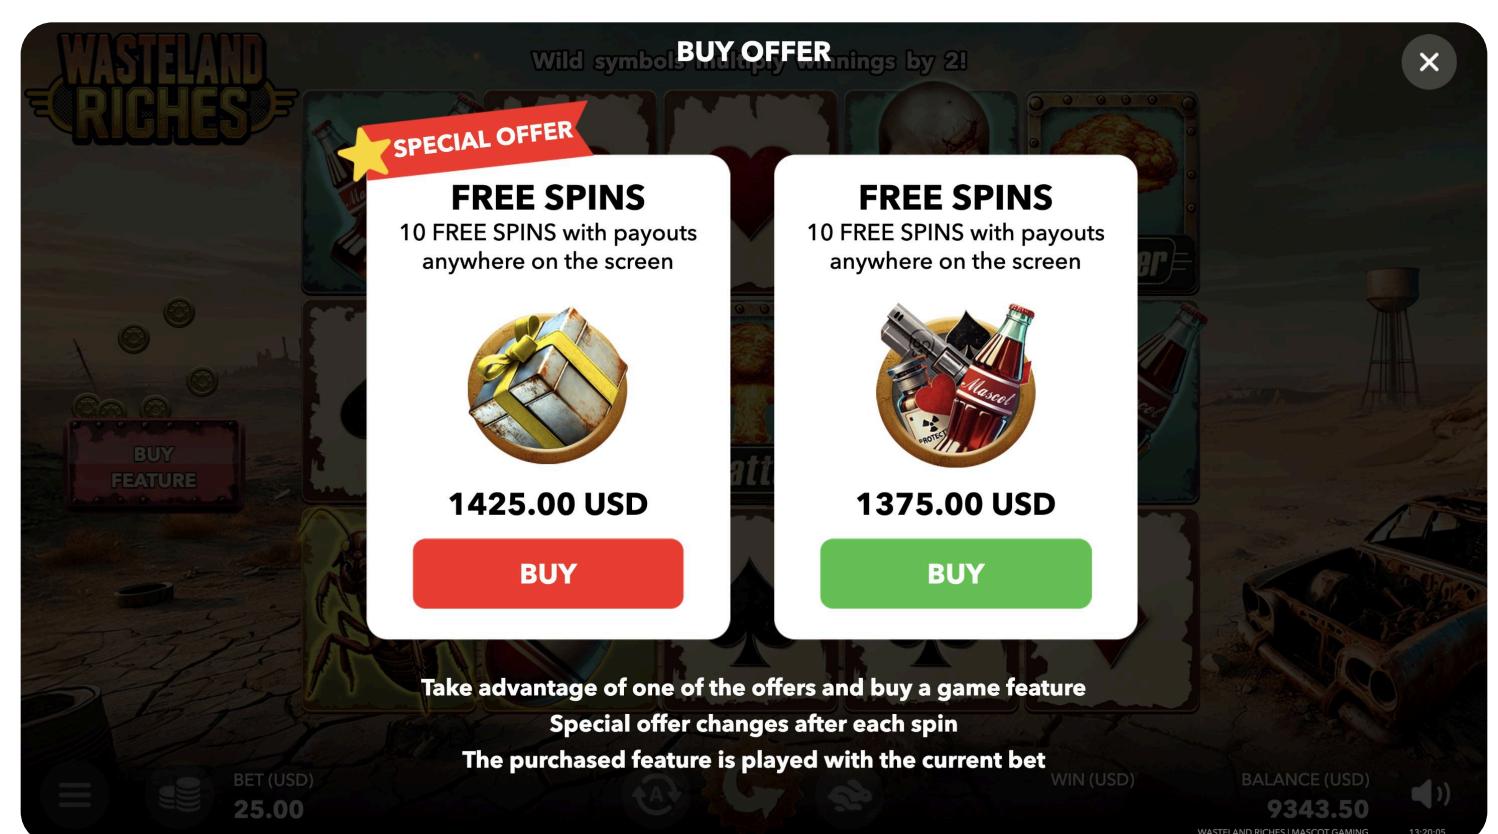

Risk & Buy feature: Risk

Risk your winnings by playing the Risk game. You can increase your winnings by getting a win multiplier.

Multiplier Symbol

Each Multiplier symbol on the screen multiplies the win for the current spin by 2.

Risk & Buy feature: Buy

Purchase Free Spins with the proposed conditions and at the suggested price. There is a special buy offer after each spin.
