

BEGIN THIS YEAR BY UNVEILING SECRET REWARDS IN THE NEW SLOT GAME BY MASCOT GAMING – SECRETS OF PAPYRUS

*Where knowledge rests in lines of old,
The reels decide what will unfold.*

Set in the libraries of ancient Egypt, Secrets of Papyrus explores hidden knowledge preserved on papyrus scrolls. The game presents a combination of mechanics, alongside some new features that enrich the experience.

With this release, Mascot Gaming unveils a new version of its flagship feature, Risk and Buy. Players can risk their current winnings, as usual, for a chance to multiply them. Alternatively, they may choose to buy direct access to Free Spins under the proposed conditions and at the suggested price.

In addition, the game introduces a new unique feature – players can buy a set of Free Rounds. Played with increased volatility, Free Rounds are only available by purchase and cannot be triggered in the base game or during Free Spins.

Boost mode is another new addition from the developer. It increases the chance of triggering Free Spins in the base game by adding a fixed extra amount to each bet while active. Boost mode is available only in the base game and cannot be used during Free Spins or Free Rounds.

Free Spins may be triggered naturally in the base game. Landing three Mystery symbols anywhere on reels 2, 3, and 4 triggers 10 Free Spins. Mystery symbols substitute for all regular symbols to complete winning combinations and can appear only on these reels.

During Free Spins, every Mystery symbol that appears becomes sticky and remains locked in its position until the end of the Free Spins session. If reels 2, 3, and 4 become completely covered with sticky Mystery symbols, the player is awarded 3 additional Free Spins.

Drawing inspiration from ancient Egypt, Secrets of Papyrus combines detailed visuals, rich colours, and Mascot Gaming's recognizable sound design to create an immersive atmosphere that supports the sense of mystery and discovery throughout the game.

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

"We're excited to open the year with a strong update to our feature set and to do so with Secrets of Papyrus. Its familiar theme and gameplay balance create an experience we believe will resonate with players."

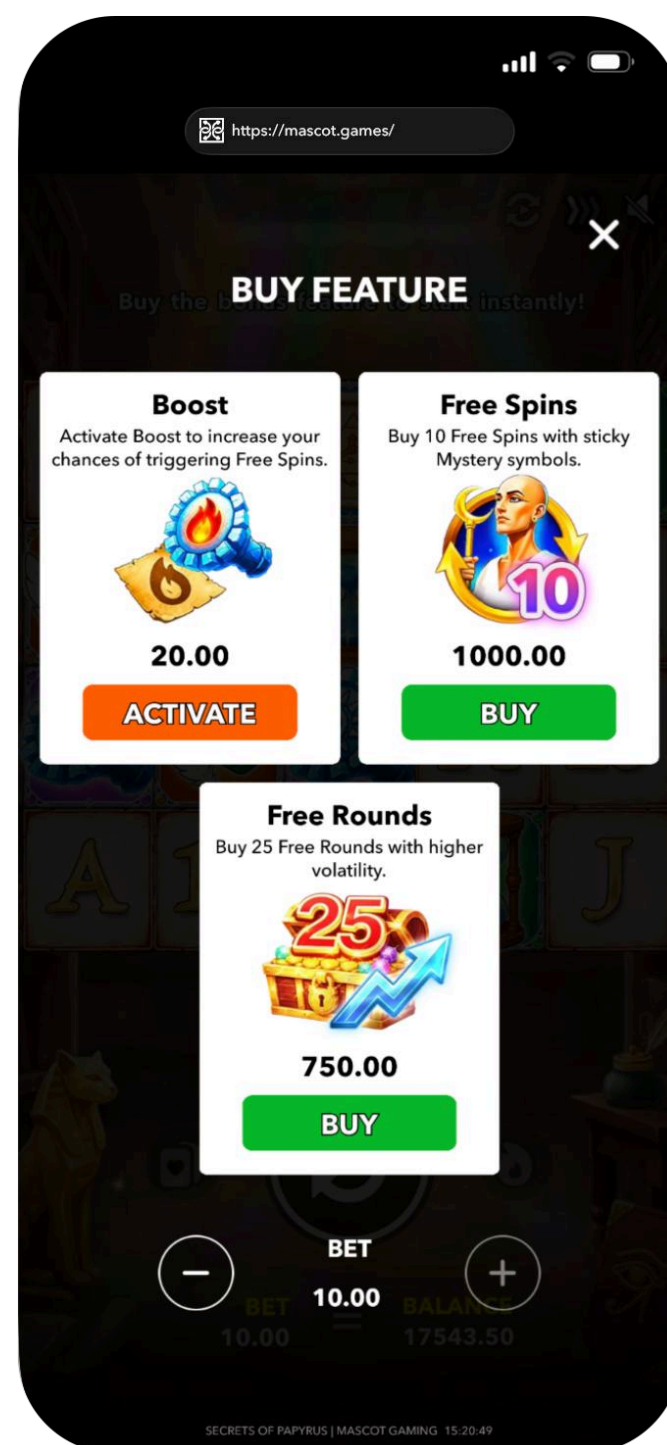

FEATURES

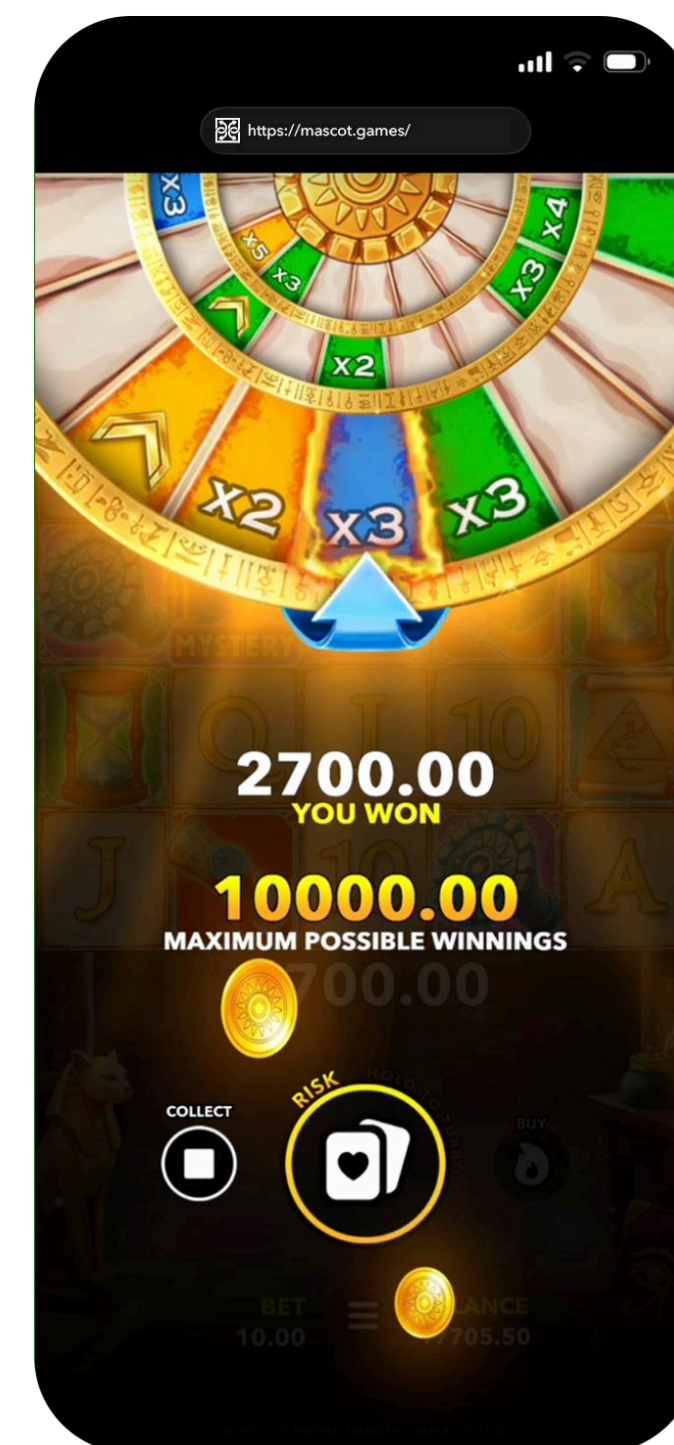

Boost Feature

Activate Boost to increase the chance of triggering Free Spins.

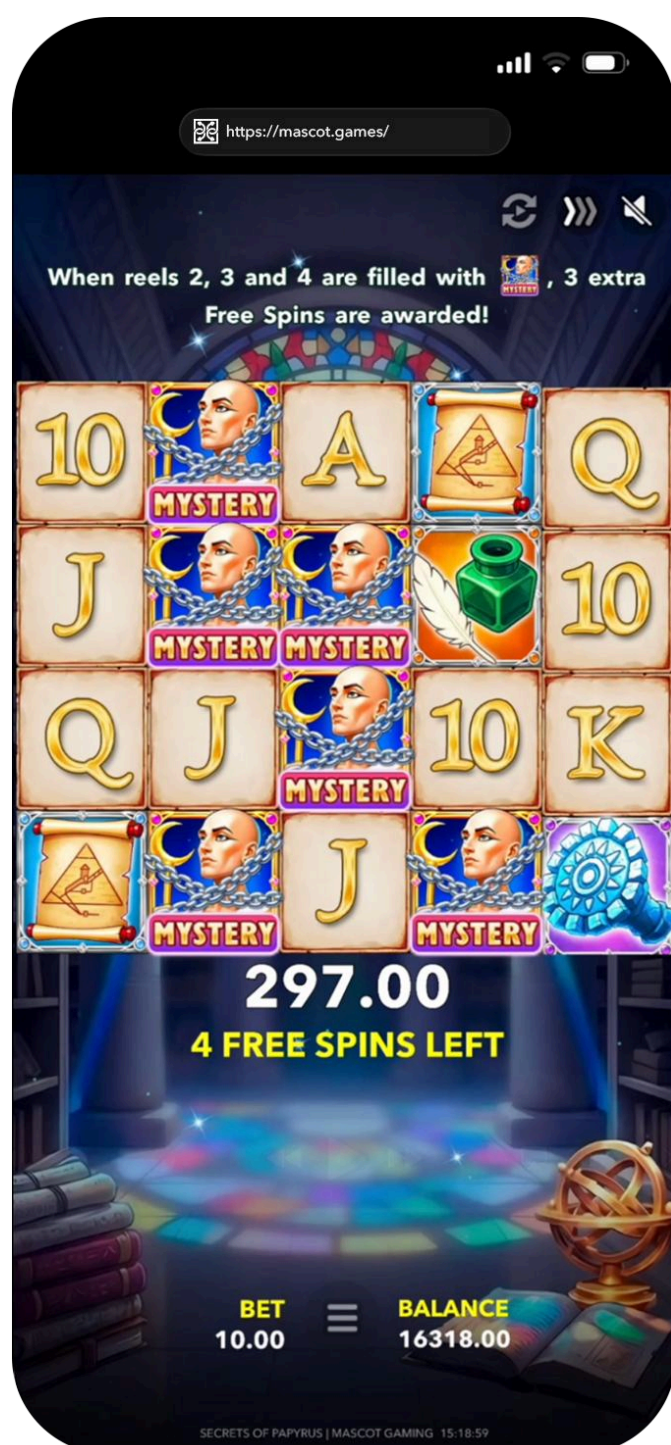

Buy

Buy Free Spins or Free Rounds with the proposed conditions and at the suggested price.

Risk

Spin the Risk Wheel for a chance to increase your winnings by getting a win multiplier.

Free Spins

During Free Spins, Mystery symbols become sticky and remain in place. When reels 2, 3, and 4 are completely filled with sticky Mystery symbols, 3 Extra Free Spins are awarded.
