 **RISK WHEEL**

Spin the Risk Wheel for a chance to increase your winnings by getting a win multiplier.

RANDOM WILDS

On every spin, 2 to 4 symbols randomly transform into Wilds.

GAME MECHANICS

The gameplay is built around the Random Wilds feature. On every spin, 2 to 4 regular symbols randomly transform into wilds, instantly reshaping the reels. Wild symbols substitute for all regular symbols, helping to complete winning combinations and creating unexpected payout opportunities.

After any winning spin, players can take advantage of the Risk Wheel. This feature allows them to gamble their current win for a chance to receive a win multiplier of up to x1000 of the total bet, turning even modest wins into high-impact results.

UNIQUE FEATURE

Shining Wilds offers a new unique feature – Buy Free Rounds. Players can directly purchase a predefined set of Free Rounds played with increased volatility. Free Rounds cannot be triggered in the base game and can only be accessed through direct purchase, offering immediate entry into higher-risk, higher-reward gameplay.

DESIGN

The game delivers a modern take on the classic fruit slot style. Bright fruit symbols, glowing wilds, and crystal-framed reels create a polished and energetic visual experience. Smooth animations and clear visual feedback keep the action fast and engaging, while the clean interface ensures intuitive gameplay and strong focus on the reels.

Margarita Malysheva,
Head of Marketing at Mascot Gaming:

“The familiar fruit theme ensures a low barrier to entry, while Random Wilds help maintain engagement and Buy Free Rounds provide an additional monetization layer – making Shining Wilds a natural fit for any lobby.”
