COMMERCIAL FEATURE

 FREE SPINS

At least 3 Scatters trigger 10 Free Spins with a chance to win additional Free Spins.

Mascot Gaming introduces a **new chapter in the Tessa Hunt universe**, where Tessa travels to the land of Golden Sands to uncover hidden treasures and feature-driven adventures.

GAME MECHANICS

The game combines **several bonus-driven mechanics**, with Hold and Win serving as the central feature of the gameplay. Coin symbols appear across the reels carrying prize values, jackpot rewards, or Collect icons. When a Collect symbol lands while fewer than 6 Coin symbols are present, all visible values are gathered instantly. Landing 6 or more Coin symbols activates the Hold and Win feature.

Once triggered, Hold and Win locks all Coin symbols in place and starts a 3-respin cycle. Every newly landed Coin symbol refreshes the respin counter, extending the feature and creating additional opportunities for prize accumulation. Coin symbols may reveal Mini and Major Jackpot rewards, while the Mega Jackpot serves as the ultimate prize during the feature.

Landing at least 3 Scatter symbols in the base game triggers the feature and awards 10 Free Spins. During Free Spins, landing at least 3 additional Scatter symbols awards 10 extra Free Spins. The Coin mechanics remain active throughout the bonus round, allowing Hold and Win to be triggered directly during the feature.

Wild symbols substitute for all symbols except Scatter and Coin symbols, helping complete premium combinations and making the base game feel more active between bonus events.

The game also includes Mascot Gaming's Risk & Buy feature. Buy allows direct access to Free Spins or Hold and Win under predefined conditions, while Risk gives players a chance to increase winnings through the Risk Wheel multiplier mechanic.

DESIGN

Tessa Hunt and the Golden Sands takes players deep into a world of hidden temples, ancient treasures, and endless desert landscapes shaped by adventure and discovery. Golden relics, glowing Coin symbols, and rich sandy environments create the feeling of a treasure hunt where every bonus moment pushes the journey further. The atmosphere is supported by an adventurous soundtrack that complements the pacing of the gameplay, making bonus moments feel more intense while keeping the overall experience immersive and engaging.

Margarita Malysheva, Head of Marketing at Mascot Gaming:

"Tessa Hunt and the Golden Sands builds on **mechanics players already know** while creating a **more comfortable gameplay** rhythm. The Tessa Hunt universe is already well recognized among our players, and this release is a strong addition to the series."
